# What is THE REAL JESUS?

We believe that the questions around Who Jesus is, and Why it Matters are the most important questions that anyone can ever ask. So, from 8 May - 26 June, RED. POINT Church is going to spend our Sunday and Mid-week Meetings answering these questions for believers and skeptics alike...

## On Sundays:

Starting on 8 May at 9am and 6pm, and lasting for 8 weeks, we are going to spend our Sunday meetings looking at Jesus' life through the eyes of people like you and I from the pages of the Bible.

All are welcome to these meetings. You can come dressed casually, and we have a great Children's program planned at 9am too!

# LIFE Groups:

During the week, we have LIFE Groups spread around the City, meeting in homes, offices, and varsities that will be get together to watch and discuss a 30 minute DVD presentation by Mark Driscoll - a best-selling author and pastor - who will answer 7 Big Questions about Jesus.

## How To Get Involved:

If you want to get involved, you can phone the RED. POINT office on 031 700 5503, register online at [www.realjesus.co.za](http://www.realjesus.co.za) or at the REAL JESUS Desk in the Church foyer on Sundays, or go along go to a group with a friend? We believe that this Series will be Life Changing for everyone involved!
